BAY ST. LOUIS, MISS., FRIDAY, MARCH 11, 1932.

FORTY-FIRST YEAR, No. 11

### JOHN CALLAHAN SAVED FROM DEATH BY FRED J. PERANICH, OF COAST

Biloxi Resident, Aged 29, Loses Control of Car and Is Precipitated to Water Where He Had Gone Down Second Time—Defective Tire Blamed.

John Callahan, well-known resident of Biloxi, aged 29 years, was the victim Wednesday afternoon at 5:30 o'clock, of an unusual occurrence that if it were not for the courage and brave efforts of Fred J. Peranich, of Pass Christian, would be dead today.

It appears Callahan had left Biloxi earlier in the afternoon and was driving alone. From what Mrs. Callahan told The Echo reporter he had been representing a certain well-known brand of gasoline and was prepared to make a change. It was on this particular trip that he was visiting certain parts along the coast with a view of making the best and most favorable connection.

Reaching the high and narrow bridge, Old Spanish Trail, that spans the main canal of that section of Henderson Point, known as Pass Christian Isles, his car left its position and was hurled by the power of lost and unguarded motion over the bridge down into the icy waters below.

"The car made four 'somersaults,' said a witness to what happened, 'and finally landed into the water with its top down and the four wheels in the air.'

By this time many people had gathered on the banks of the canal, it is said, and were looking on. Peranich was at the Tropical Filling and Service Station, and seeing the commotion hastened to the scene of the occurrence. Reaching the banks he saw some one had thrown the man a rope, but, as was learned later, the man was unconscious and unable to grasp it. The body, apparently lifeless, had floated down with the outgoing tide to about fifty feet. Peranich, at this juncture, realized what had happened and seeing the peril of the man, jumped over into the waters.

The man, it seems had already gone down once and, as a drowning body sinks three times, it is said, this one was going down for the second time. At this juncture, with the body below the water, Peranich saw the man was unconscious and grabbed him and made for shore.

An automobile, it is said, E. J. Lacoste driving, accompanied by Mrs. Claude Monte, members of St. Margaret's Daughters, of this city, were returning from a mission of mercy. They halted their car and were soon apprised what had happened.

Callahan's body was taken by Peranich, assisted by others and placed in the Lacoste car and rushed to the King's Daughters Emergency Hospital at Bay St. Louis. Dr. Lewis attended the man, who remained unconscious until about 9 o'clock.

In the meantime his wife had been telephoned to and accompanied by a lady friend drove to this city. Dr. Lewis had attended the man and the nurse in charge, assured the dazed woman that her husband would come to and recover.

"We had hardly used the car during a whole year," said Mrs. Callahan, a brave little woman, to The Echo. "Recently my husband used it and he reported that it seemed to drive in a side direction and would have to be fixed."

When Callahan came to he did not know what it was all about. Finally he was able to say that he must have sustained a "blow out" and he remembered nothing after control of the car was lost.

Fred J. Peranich is well known, coast traveling salesman for the Barksdale Motor Company, and resides at the Miramar Hotel at Pass Christian. He is well acquainted with Mr. Mike Wohler, owner and operator of the Tropical Service Station, and had driven down to the point on a little business trip.

He is quiet modest about so heroically saving a life, at the peril of his own and when the water was cold from a freezing temperature. Surely he is entitled to a Carnegie Hero recognition, and the hope is expressed that he will get it.

### Member of Academy Faculty Meets With Injury to Knee Cap

A fall down the stairs on her way to supper with the boarders last Sunday night resulted in a broken knee cap for Sister Ann Madeline, faculty member of S. J. A., who was immediately transported to New Orleans where she will be detained for some time. The pupils whom Sister Ann Madeline taught and the boarders, in particular miss their teacher sadly, and wish her a speedy recovery. Sister Stella Kenney is replacing Sister Ann Madeline on the faculty. Miss Hazel Kerguelen is substituting for Sister Francis Xavier, who has been ill for several days.

### ANOTHER BLOW FOR TAX BILL

Publishers of Mississippi Gulf Coast Discuss Bill And Adopt Resolutions

(Gulfport Herald)

The Mississippi Coast Press Club at its meeting Monday night at the Great Southern Hotel, Gulfport, adopted resolutions opposing a gross sales tax of any kind and copies of this resolution are to be sent to all legislators in Harrison, Hancock, Jackson and Stone counties requesting them to use their influence to defeat such a tax. The resolutions committee named by the club president, Chas. G. Moreau, included W. T. Sparkman of Pascagoula, E. P. Wilkes of Biloxi and E. L. Lipscomb of Gulfport. The resolution follows:

Whereas, It has come to the attention of the Mississippi Coast Press Club that a sales tax of three per cent is proposed to be levied on the gross sales of all Mississippi business, be it, therefore

Resolved, That the members of this club are unalterably opposed to a gross sales tax in any form and that they call upon their senators and representatives in the state legislature to oppose such a tax with all the force at their command and to vote against such a tax measure, when the opportunity presents itself, and be it further

Resolved, That a copy of these resolutions be sent to the senators and representatives in the state legislature from the counties of Hancock, Harrison, Jackson and Stone, and to the newspapers and printing offices of these four counties constituting the membership of this club.

At the business session of the club talks on the proposed sales tax and its effect on the printing business were made by R. E. Brash, Rev. P. S. Dodge, W. T. Sparkman and Chas. G. Moreau.

Preceding the business meeting the club was entertained with two whistling solos by Mrs. A. A. McLaughlin of Gulfport, who played her accompaniments at the piano. Miss Mary Lena Fentress, of the Fentress Printing Company, was hostess at this meeting.

Dinner was served in the Marine Dining room, the table decorated being the seasonal azaleas. Covers were laid for the following: Mr. and Mrs. W. T. Sparkman, Pascagoula; Mr. and Mrs. E. P. Wilkes, Biloxi; Mr. and Mrs. Chas. G. Moreau and John D. Mollere, Bay St. Louis; Miss Flora Langsley, Miss Mary Lena Fentress, Mr. and Mrs. Ed Lipscomb, Ralph Brash, Rev. P. S. Dodge, Gulfport and O. E. Simon, Long Beach.

The April meeting is to be a joint meeting, it is proposed, with the Bay St. Louis Rotary Club at Bay St. Louis. Chas. G. Moreau is president of both the Bay St. Louis Rotary Club and the Mississippi Coast Press Club.

### Death of James O. Larose Former Bay City Resident

James O. Larose, native of New Orleans, aged 24 years, passed away on Friday morning of last week, following a long siege of illness. He was a son of J. Henry Larose and Margaret Macheca, and spent much of his younger life in Bay St. Louis, residing here and a student of St. Stanislaus College, from which institution he graduated.

In addition to his parents he is survived by a younger brother and sister; he was also a cousin of Mrs. Lucien M. Gex from his mother's side.

The funeral was held from the late residence, 2113 Audubon street, Saturday afternoon and the large attendance and wealth of flowers well attested to the love and esteem in which this excellent young man was held. His many Bay St. Louis younger friends and those of his parents will learn of his death with profound sorrow and general sympathy is expressed.

### HIGH-CLASS REVUE COMING TO BAY CITY FOR NIGHT SCHOOL

Gulf Park College Will Present Annual Entertainment Under Auspices Rotary Club.

First presentation of Rhymes and Rhythms, by the Glee Club and Piouette Club Gulf Park College, was witnessed Saturday night at Gulf Park Auditorium to a large and appreciative gathering, and the consensus of opinion that the annual review of the college exceeded that of all other seasons. Friends from Bay St. Louis present are unanimous that the entertainment is not only clever but most engaging.

There are more numbers, more girls and the show has been added to from every view point. There are numerous and varied numbers, something to please everybody.

This high-class entertainment will be repeated in Bay St. Louis on the evening of Friday, April 15, at High School auditorium, benefit Bay St. Louis Rotary Night School, as per annual custom.

Tickets for the show will soon be on sale and a chart for reservations for the public convenience at Beach Drug Store.

There are two outstanding reasons to see this entertainment.

First, because it is good.

Secondly, because the revenue will go to helping boys and girls getting an education who work by day and cannot attend the regular schools.

The day and date are easy to remember: Friday, April 15. Mid-month.

### Style Show and Musical Program To Be Presented

Considerable interest is manifested in the forthcoming style show and musical program that will be soon be presented at St. Joseph Academy gym, announced in the columns some time ago.

It is now possible to announce the date, Saturday, April 2, proceeds to be appropriated to the debt fund St. Joseph convent and academy.

This entertainment is in the hands of a number of ladies who have willingly indicated to give their time and attention to an event of this kind, and Mr. Bittar, of the famous style shop, one at Biloxi and the other located at Gulfport, has agreed to put on the style show, presenting the newest and latest creations. Every garment will be worn to advantage and while the secret is not to be revealed, it cannot be withheld from the public, it is intimated there will be a bride in full conventional attire. Surely, it will be a "thing of beauty and joy forever," as the poet would put it.

This style show and musical program has been in the planning for a long time, but a more propitious time was awaited, and—that is Saturday, April 2.

### Both City and County Tax Lists Largest in History

This week's issue of The Sea Coast Echo is practically "edited" by Sheriff T. Ed. Keller, tax-collector for Hancock county, and Ferdinand H. Egloff, city commissioner for Bay St. Louis.

Both city and county lists are the largest in the history of this county and municipality. The city is considerably larger and the county is of a larger size or to be compared with last year's or any previous publication.

The compilation of the county list is the work of Deputy Sheriff Joseph V. Bontemps, whose experience in this work extends over a number of years, and The Echo is appreciative of the extra work and time he put in order that the list may reach our typewriter at such early time that the paper be not delayed and our readers receive it on time—as usual.

Mr. Egloff did the same favor for the press and we wish here to acknowledge to both these gentlemen their assistance and to comment on their fine work.

To comment on the size of the list is not necessary. It is obvious to the reader why so many tax-payers are delinquent, even though the State made it possible to pay the stipends on installment.

Both lists will prove informative to the majority of our readers. Of course, many whose names appear will have paid their delinquency before the date of sale which is the first Monday in April.

A Fair Guess. Long-windedness. And I've just had a rose named after me. Fed-up—A rambler, I suppose.

### BAY CITY ROTARY IS ACTIVE

Rev. Gerault Jones Is Guest Speaker—Friday, April 15—Local Club Honored

De luring that the move for international peace and made a psychological advance, Rev. Gerault Jones, rector of Trinity Church, at Pass Christian, was the club guest and principal speaker before Bay St. Louis Rotary Club Wednesday afternoon.

He reviewed the movement for international peace from its very inception down to the present time, paying tribute to those who have gone before and whose names will live in history to Aristide Briande of France who passed away during the week, and Senator Kellogg of the United States, whose Briande-Kellogg peace pact embodies so much.

"True this may be considered just another scrap of paper," said the scholarly young speaker, but it represents an accomplishment that is a fairy from the beginning of the effort.

Dr. Jones' review of the subject on through down the years, briefly but illuminating, was received with much acclaim and his talk at its conclusion, was recorded as another of the splendid addresses it has been the local club members' privilege to listen to and to profit by during the period of 353 weekly meetings.

Friday, April 15.

Rotarians and their friends are enthusiastic in anticipation of the forthcoming stage production by young ladies from Gulf Park College, to be presented for the local club's night school fund. Having learned the show is better and bigger than last year, members feel the benefit will not only receive its usual big reception but that a still better success awaits the event. The committee in charge made an interesting report.

The free night school is a constructive and fine gesture and is entitled to a liberal support by the public now called to assist the heavy burdened shouldered by the club. It is well that we encourage and support our municipal band, music club, chamber of commerce, Rotary Club, King's Daughters, St. Margaret's Daughters and all other civic and charitable and benevolent as well as fraternal organizations.

The Rotary Club's splendid work is now calling.

Honor Comes to Bay Club.

Bay St. Louis Rotary Club has been signally honored and recognized by the appointment of its president to preside at the "President's Breakfast" to be given on the morning of April 27, hall room, Hotel Heidelberg, Baton Rouge, La., where the two-day Seventeenth Rotary District comprises part of two states, Louisiana and Mississippi. James Skewes, of Meridian is the District Governor. This year the governor will be selected from Louisiana. There are some nearly fifty clubs in the 17th district and that Bay St. Louis should be thus recognized is noteworthy.

The cry from now will be "On to Baton Rouge!"

### At Bay St. Louis King's Daughters' Emergency Hospital

F. B. Blackman, 18-years-old of Gainesville community, and a nephew of former Sheriff Joseph C. Jones, is at the Bay St. Louis King's Daughters Hospital suffering from a double fracture of a leg, slightly above the ankle doing as well as could be expected under the strain and original pain of such injury.

It appears Blackman was assisting in routing a stumpe by what is known as the cable process. One end of the line popped from his hooked catch and caught Blackman across the leg in such a violent manner as to break it. Dr. Smith is the attending physician.

Young Summers Doing Well.

George Summers, 10-year-old son of Mr. and Mrs. Maurice Summers of this city, who has been very ill during the week with pneumonia, is reported as showing signs of its ultimate recovery, doing quite well for one who has been so desperately ill. Dr. Lewis is the attending physician.

Donald Blanchard, three-and-a-half year old son of Mr. and Mrs. Martin Blanchard, and nephew of Mr. and Mrs. E. Van Whitfield of this city, was conveyed from his home to the local hospital Wednesday afternoon a victim of pneumonia. Dr. J. C. Buckley is attending the patient.

Echo of Christmas Shopping. Poultry—Lovely turkey, this sir. Just look at the breast. Little Binks—Yer-er-but I shall get none of that. What are the drumsticks like?—Humorist.

And Got A Cross. Got Jim Jones mixed. He crossed the street. Then crossed the Styx. —G. C. M.

### DEAD BANDIT AT PICAYUNE IDENTIFIED AND BURIED

Broth Is Believed to Have Been Companion In Lumberton Bank Robbery.

Funeral services were held Friday at Picayune for "J. W. Ward," self confessed robber of the Lumberton bank, when a long distance telephone call from Willis Newton of Tulsa, Oklahoma, an uncle, identified the dead bandit as Charles Louis Oglesby.

The Oklahoma said Oglesby's mother is Mrs. Dollie Wall of Uvalde, Texas. He said Charles Louis had a taller brother named Cole. Officers now suspect Oglesby's brother and not C. C. Hill.

County authorities continued with the funeral since Oglesby's relatives said they were not financially able to undertake the expense. Burial was in Palestine cemetery near Picayune.

Thirteen diamond rings which were found in Oglesby's possession were identified by two men from Breckenridge, Texas.

"J. W. Ward," is strongly suspected as one of the same two who robbed the Merchants Bank of this city lately. The deceased was buried by the authorities of Pearl River county since he died in that county. This closes the chapter of the 28-year-old man who had chosen a life of banditry and lawlessness rather than one of ideal citizenship.

### GLOVER, STAR OF ROSEBOWL, WILL BE COACH THIS FALL

Bay St. Louis Young College Man Signs With John Carroll College, Cleveland.

The Tulane football team, university weekly at New Orleans, carries this story of Harry C. Glover, Bay St. Louis product and who started his football career at St. Stanislaus College, Glover will coach at John Carroll College, Cleveland, Ohio, and will begin work this fall.

The story follows: Harry "Wop" Glover, known to the football fans of the United States as that "little stick of dynamite" is to follow up a brilliant football career as a coach at John Carroll College of Cleveland, Ohio.

Glover is a product of Bay St. Louis and started his football career at St. Stanislaus College of his home town. Wop came to Tulane as a freshman in 1928 and since that time has become one of the most versatile athletes in Tulane history. He has won letters in football, basketball, baseball and track.

Glover first came into prominence as a football hero in the Texas A. & M. game played in New Orleans in 1929. Wop took a cut pass from the Armstrong and carried the ball over the goal-line for the winning touchdown. Wop was again a menace to Texas A. & M. in the game in 1930.

He is nationally regarded as the star of the Rose Bowl game this year against the Southern California Trojans in which Tulane lost 21-12. Wop's runs were worth watching and about these runs, Bernie Bowman said, "Wop did everything that a halfback is supposed to do in getting by an opposing team. His runs were brilliant and Wop should purchase a roll of films of the game to show his grandchildren as they are really something to be proud of."

In baseball Wop was an excellent backstop and more would have been heard from him had baseball survived at Tulane. He played guard on the basketball team and pole-vaulted for Fritz Oakes' track team.

In Glover, Tulane is losing a fine athlete and gentleman and one that will be long remembered by followers of Tulane sports.

### FEDERAL FARM LOAN FOR HANCOCK COUNTY NOW READY

The Federal Farm Loan Committee for Hancock County, composed of Messrs. Leo W. Seal, D. R. Weston and Frank R. Pittman, announce that applications for Federal Farm Loans for Hancock County can now be made through Edward L. Jones, Secretary for the Committee, at the office of Honorable Robert L. Genin, 114 Main Street, in the City of Bay St. Louis, Mississippi.

Applicants are asked to have the description of their land, and the number of acres to be grown in each crop written, before applying to the Secretary.

And Got A Cross. Got Jim Jones mixed. He crossed the street. Then crossed the Styx. —G. C. M.

### CENTRAL SCHOOL P.T. A. HOLDS ANNUAL MEET ELECTS MRS. SEAL PREST

Mrs. Logan, Retiring Head, Has Successful Administration—Free Milk For Children and Work For Library High Spits of Work.

### TAX-PAYERS MEET TO ORGANIZE

Gathering at Courthouse Monday Night Hear Speakers—Next Meeting March 14.

Persuant to a call by L. B. Capdepou and other tax-payers a meeting was held at the courthouse, last Monday night for the purpose of organizing a tax-payers league.

The meeting was addressed by John H. Lang of Pass Christian and A. D. Galloway of Gulfport, who explained the purpose of the meeting, and the good that could and would be accomplished by the organization of a Tax-Payers League and the affiliation with the State and National League. On motion L. B. Capdepou was elected temporary chairman and A. R. Hart was elected temporary secretary.

Messrs. Ed. Schwartz, Dr. D. H. Ward and others present made brief talks expressing their interest in and for such an organization of a Tax-Payers League.

Nearly everyone present signed the membership list. The next meeting will be held at the courthouse on Monday, March 14th, at 7:30 o'clock, when a permanent organization will be effected and every taxpayer is extended an invitation to be present, when permanent organization is effected the league will be incorporated under the laws of Mississippi as is the Harrison County League.

### City Commissioners Hold Regular Monthly Meeting, March 6

Commissioners of City of Bay St. Louis held regular monthly meeting for March Monday morning, allowing and paying a number of bills, which appear in full elsewhere in this paper.

The offer of J. D. Nix to sell Paradise Point to the city for a park purpose, was received and ordered as acknowledged with thanks. For the present, however, the city finds itself in no financial condition to consider the proposal.

Bid of The Merchants Bank & Trust Company to continue as the city depository was laid over thirty days to be taken up at the next meeting. It was revealed that the present contract had yet thirty days to go on the present basis and since the bid was different from that of last time, it was not necessary to close then and there.

The Sea Coast Echo's contract with the city as official journal was continued for another two-year period. The price of contract was the same as heretofore.

Minor municipal improvement, continue about the city in the matter of maintenance and all reports received were to the effect that at a lowest cost that all departments of the city are functioning as usual.

### Missionary Society To Meet Tuesday of Next Week, March 15

The Missionary Society of the First Methodist Church will meet Tuesday, March 15, 3 o'clock, afternoon at the home of Mrs. Leo W. Seal, North Beach Boulevard, with Mrs. Seal and Mrs. (Dr.) A. P. Smith as joint hostesses.

### Bay Panthers To Hold Practice This Sunday

Manager Luc, who will manage the Panthers this season has ordered all players to report for practice Sunday afternoon.

It is understood that a good many of last year's players have already signed their 1932 contract and also several new players.

The team will consist of all local boys, giving the fans, citizens and merchants who have always helped the club the pleasure and satisfaction of seeing the local boys get the preference of playing on the team.

The management expects to place on sale next week the season tickets.

The annual meeting of the Central School Parent-Teacher Association, was held at the school Tuesday, at 3 P. M., Mrs. R. B. Logan, president, presiding. Interesting reports were made by the chairman of the standing committees and the Easter-egg hunt committee.

The P. T. A. is to be congratulated on its splendid selection of officers for the coming year. Mrs. Leo Seal was elected president, Mrs. Alvah P. Smith vice president, Mrs. Milton Phillips, secretary, Mrs. Chas. J. Mitchell, treasurer.

Mrs. Seal is particularly qualified for her responsibilities of next year and under her enthusiastic and able guidance great things will be accomplished for the Central School and its children, she will prove a worthy successor to her highly successful predecessor, Mrs. R. B. Logan.

Of particular interest to the Bay St. Louis public is the announcement of the formation of a troop of Girl Scouts under the leadership of Miss Helen Vaughan and Mrs. J. B. Goldman. The Parent-Teacher movement has always encouraged and assisted the work of organizations of this kind in every possible way so the local P. T. A. is living up to national ideals by sponsoring here such a splendid undertaking in the interest of our young people.

The Retiring President. Mrs. Logan, the retiring president, has had a most successful administration and she is appreciative of the cooperation given her. Initiative, alert and capable she had accomplished much. Outstanding of her administration is the inauguration of free milk for the undernourished children of the school, and it is through her activities that a revived and marked interest has been manifested in the library improvement of the school, her personal as well as her official efforts aiding the cause in manifold results. Mrs. Logan retired with the satisfaction that must come to her of knowing that her efforts have not been in vain. She established a record well worthy of emulation, serving her community and its people like a good citizen.

To say that you have proven a good citizen is indeed a tribute more would rather have than many of the other things that might come to men or women in their endeavors.

### Stanislaus Cards 10 Bouts Friday With Commy Squad

The St. Stanislaus College mitt-men, riding the crest of two successive inter-school victories, engage their third opponents of the current 1932 season Friday night in the college gym, with Commercial High school of New Orleans.

Ten bouts are scheduled on the card that is booked to get underway promptly at 8 o'clock. Little is known relative to the strength of the Stanislaus opposition, although several members of the Commercial High squad have taken active part in the A. U. events in New Orleans during the past few months.

St. Stanislaus, the only Class A school in the Gulf Coast Region to be represented with a boxing team, has scored two victories in as many starts this year, winning over the Kiln Vocational High school and St. Francisville, La., fistlings, Kiln, a member of the Gulf Coast region is classified as a Class B institution.

The probable contestants in Friday night's card follow: Commy Hi—Fontaneli, 100 lbs.; Jaeger 107 pounds; Werling 112 lbs.; Engel 115 lbs.; Joseph 118 lbs.; Zinezel 125 lbs.; Robinson 124 lbs.; Camaratta 128 lbs.; Nunex 133 lbs.; and Hevl 150 pounds.

St. Stanislaus—Leslie Blaize 101 lbs.; Millet 105 lbs.; J. Blaize 110 lbs.; P. Bourguies 115 lbs.; J. Blaize or Rhody or Captain Motty 123 lbs.; J. Bourguies 126 lbs.; LaPeyronne 130 lbs.; E. Blaize or Ryland or Castro 154 lbs.

### COMMISSION INSPECTS

Hancock County Seawall Commission met jointly Tuesday with the Board of Supervisors and visited the stretch of seawall and roadway from one end of the riparian front to the other, finding places in the wall and roadway that calls for immediate attention. The wall in several places, it was said, would not stand another storm.

The seawall fund, created by a former bond issue and maintained by the collection of gasoline tax, just now will not permit of these repairs, it was stated, and it is hoped the legislature would pass a bill to assist.

## DELINQUENT REALTY TAX ROLL.

STATE OF MISSISSIPPI,  
HANCOCK COUNTY.

Notice is hereby given that I will on Monday, the 4th day of April A. D. 1932 offer for sale at the front door of the court house of Hancock County, Mississippi, in the City of Bay St. Louis, within legal hours at public outcry to the highest bidder for cash, the following lands delinquent for the State, General County fund, Road and Bridge Fund, Road and Bridge Bond Fund, Bond Sinking Fund, School Fund, Consolidated School Fund, Road and Poll Tax, for taxes due thereon for the year 1931, or as so much thereof as will be necessary to settle said taxes and all Costs to-wit:

of the court house of Hancock County, Mississippi, in the City of Bay St. Louis, within legal hours at public outcry to the highest bidder for cash, the following lands delinquent for the State, General County fund, Road and Bridge Fund, Road and Bridge Bond Fund, Bond Sinking Fund, School Fund, Consolidated School Fund, Road and Poll Tax, lot taxes due thereon for the year 1931, or as so much thereof as will be necessary to settle said taxes and all costs to-wit:

### KIDNAPPING A HORRIBLE CRIME.

THE kidnapping of the Lingburgh baby was a source of general sadness throughout the nation, where millions of people grieved with the famous parents of the little boy.

No crime stirs the anger of the people as that. For men and women to be so low as to trade on the love of parents for the sake of money, and to act without regard to the possible death of a little child, is an evidence of depravity amid the welter of civilization.

No baby is less precious to the maternal and parental hearts than the Lingburgh offspring. Every father and mother's baby is as dear to them as the famous and perhaps most popular baby in the world.

So whether it be the Lindbergh's or someone else's baby the crime of robbing the cradle is as damnable. No words, no sentiments can express the anguish father and mother must endure during so crushing a sorrow and crucial moments. This anguish is the call from the heart. Humanity is the same the world over; it has ever and always will be. The crime of kidnapping has no equal. It is a living death and its defeat must be accomplished.

That this country has witnessed something like a wave of kidnapping in recent years is known. The Lindbergh crime gave kidnapping more publicity than ever because of the prominence of the parents, and has caused tremendous feeling. Something must be done.

The Sea Coast Echo certainly hesitates to suggest anything like mob law, but kidnapers are almost beyond the pale and deserve to be treated like maddened animals.

### FORD'S GAMBLE.

WE are going to put up everything we have got," says Henry Ford, "to help start the wheels a-turning." His plans if carried out, will provide employment for 400,000 men and require the expenditure of hundreds of millions of dollars during the remaining months of this year.

The automobile manufacturer expects to begin the production of his new cars, eight-and-four cylinders, and hopes to run the output to 5,000 or 6,000 units a day in the near future. Mr. Ford's project is a gamble because he doesn't know, nor anybody else, whether he can market a million and one-half cars during the rest of this year. "We are going to do our utmost, risk everything if necessary, to see if we cannot make what the country needs most—work—jobs," says the famous Henry.

Mr. Ford estimates that his program will involve the expenditure of \$52,000,000 monthly for material alone, that the payroll of his company for automobile parts will be \$150,000,000, for steel \$47,000,000, for tires \$20,000,000, for trimming \$48,000,000 and for glass \$10,000,000 during the remainder of the year.

Mr. Ford is being spectacular in his business operations and he gets a lot of free advertising from it. At the same time his program will help relieve the present depression and every American will rejoice if it succeeds.

### WAR STATISTICS.

THE cost of the World War was \$338,000,000,000, according to Emil Ludwig, statistician, who recently made this estimate in a magazine article.

Few people can realize how much money that was or is. The World War cost \$9,000,000 per hour during its duration and Europe in four years spent the savings of a century. The cost of the World War was equivalent to the expenditure of \$20,000 every hour since the birth of Christ.

The same authority estimates that the total loss of life during the World War was 10,000,000 men. Such a large body of human beings cannot be imagined, except in the aggregate. Mr. Ludwig points out, however, that if the dead were marching past a given point in ranks ten abreast from sun-up to sun-down it would take forty-six days for the parade of the dead to pass.

And yet the nations of the world have not yet been able to cooperate sufficiently to make war impossible.

### FEDERAL FINANCE.

THE present condition of the finances of the United States Government is pictured by Representative Crisp, Democrat of Georgia, acting chairman of the Ways and Means Committee, as follows:

"At the end of the current fiscal year, July 1, 1931, \$2,100,000,000 will be added to your national debt, and that is provided you do not increase expenditures and appropriations.

"It is estimated that at the end of the fiscal year 1933, unless \$1,240,000,000—additional is collected from taxes, your budget will not be balanced, and it is estimated it will take \$1,240,000,000 of new revenue to balance your budget by 1933, and that is not counting the \$497,000,000 required for public-debt retirement. If you put that in, it is \$1,700,000,000 plus."

"That is the picture, and I say this with no partisanship, for there will be no partisanship in the preparation of this bill."

It won't be long now before the people of the United States will realize how costly a deficit is. And the same may be said about Mississippi.

### UNFAIRNESS OF THE TAX SALES BILL

THE administration revenue program seemingly is divided into three component parts:

First—Substantial pruning of state expenditures.

Second—Reduction in the ad valorem levy.

Third—A three per cent tax on general sales. As to the first, we need far more reduction than the administration seems to think. Legislative leaders seem "set on" a twenty million dollar biennial budget. Twenty million dollars constitutes too much. Even in the prosperous Whitfield-Murphree period our biennial state expense represented about sixteen millions and one-half.

Now in times of stress, our leadership proposes an increase of nearly twenty-five per cent over our "good times" expenditures.

The Whitfield-Murphree days were happy days—easy credit, flowing money, everybody doing well.

Things have changed—tightened credit, no more easy money, everybody trying to "get by."

In good times we can afford to spend; in times less prosperous we must cut and prune and save.

Go back even to our good-time annual eight to nine million maximum and we shall manage somehow to "get along"—and get along right well, without sales taxes or other untried forms of unisances and quackery.

So much for the first proposal—reduction in expenses; we must reduce some more.

The second—decrease in ad valorem levy seems fair enough.

The third—the general sales tax represents absurdity.

While the ad valorem cut proposal is a welcome change a sales tax to make up for this reduction, seems unthinkable.

The first is good—the second is bad—a combination of the two seems beyond the pale of even half-wit statesmanship.

A reduction in the ad valorem helps the landlord and the capitalist; the sales tax hits the retailer or the average ultimate consumer.

A big decrease in property taxes of the big fellows—a huge increase in the levies of the little fellows.

Fortune on the big man who has everything; hardship on the little man who has little or nothing.

Less to pay on big property; more to pay on the sheer necessities of life.

Our most valuable personal property and real estate are largely owned by larger interests—

Investors who have purchased buildings and lands; estates the major values of which are represented in rental real estate or the tax-sale gains of the tax-title shavers and the rental properties, from shacks to business blocks, of the "tightfisters," who collect everything and spend little or nothing—

Under the sales-tax-reduced-ad-valorem plan, the large city realty owner may well afford to pay the sales tax levies of his immediate neighborhood and still achieve sufficient ad valorem saving to "foot the bill"—and some to spare—

In effect—spare the rich and "soak" the poor.

The sales tax is bad enough; the sales tax as an excuse to lower the ad valorem levy is even worse—

The big landlord gains; the little tenant loses.

The big property owner escapes a share of his taxes—the average Mississippian pays the price.

A three-mill reduction for wealth—a three-cent tax addition to the cost of daily bread.

Easier on the money—and harder on the man.

All of which is neither socialism nor communism—plain statement of mere fact.—Meridian Star.

The home team will soon begin to feel the call of the bat and ball, and you will see the stalwarts getting warmed up for the season.

### NEWSPAPER THE "BEST BET."

THE fact that the advertising manager of the leading department stores of the United States are almost unanimous in their choice and praise of the newspaper as the best medium of publicity is evidence, if Bay St. Louis merchants have need of any, that this form of advertising is the most profitable and the one most likely to secure adequate results.

Along this line one is inclined to quote the opinion of Lew Hahn, head of the department store bearing his name in New York, when he says: "Our best bet is the newspapers. We want them to carry on."

The Sea Coast Echo cannot criticize the advertisers of Bay St. Louis. In all honesty it must admit that they seem to appreciate the truth of Mr. Hahn's statement. Their patronage of this newspaper has been encouraging at all times and, while it is true that advertising has dropped off considerably during the present period of depression, the fact remains that most of the money being spent in Bay St. Louis for advertising is used to buy newspaper space.

Seldom, if ever, has any one crime so stirred the nation as that of the theft of the Lindbergh child. Nearly every person believes in the summary execution of kidnapers.

### WATCH CHIMNEYS AND FLUES.

COLD snap this week brought several fires and almost an equal number of buildings were totally destroyed. This is the first cold weather experienced this year and with its advent as a sequence several fires resulted from defective flues.

This should be a valuable lesson and serve as an admonition to property owners. Flues should be examined periodically. During 1927 a local citizen had occasion to renovate and remodel his place of residence. Taking the roof off workmen discovered two chimneys were found to be almost crumbling. The brick had been laid in mortar, as was the former custom, and this mixture was crumbling into dust. Promptly both chimneys were taken down and brick reset in cement, from top of the mantel pieces on and through the roof. This attention saved a future fire and the loss of thousands of dollars.

### VIEWS OF OUR NEWS

By Chicagoan

A Review of the News of Last Week's Echo.

CHICAGO, ILL., March 8.—Like lion or lamb as the day may have last week's report of the Chamber of Commerce meeting held on the evening of the first day in March, showed that there was determination in the hearts of the members to carry out the purposes for which the organization exists. Regretfully The Echo admits that some business concerns were conspicuous by their absence from the meeting, but I know that the most progressive of the lot were there to participate in the deliberations and to listen with pride to Mrs. Juden's report of the meeting in New Orleans attended by the presidents and secretaries of Louisiana and Mississippi Chambers of Commerce. The pride of Bay St. Louis was born of the fact that the secretary of its Chamber of Commerce, Mrs. Juden had been selected to act in a like capacity for the organization which embraces two states. The pride of those who allow others to carry the whole burden of civic work passeth my understanding.

And carrying on with the spirit that has characterized its meetings of the past, The Echo informs me that the Rotary Club met on Wednesday with another 100 per cent attendance. A timely talk by Geo. R. Rea, local financier, on the possibilities of the recently organized Reconstruction Finance Corporation was followed by a dramatic interpretation of Shakespeare by John Osoinach, local student of the leading figure in English letters. Thus were visions of the future supplemented by beautiful memories of the past.

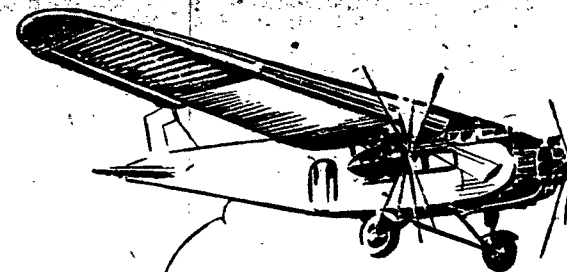

On April 15, announces the Echo, John McDonald, Chairman, Dr. Jas. A. Evans, C. C. McDonald and Prof. S. J. Ingram, members of the Rotary committee, will present their entertainment for the benefit of the night school fund of their organization. Arrangements have been made for the appearance of the Gulf Park College Glee Club and Piouette Club in a program known as "Rhymes and Rhythms." The entertainment will appeal to all, and the proceeds arising therefrom will be put to a most laudable use. When the seats go on sale at the Beach Drug Store, their sale will be rapid.

Getting back to last week's comprehensive report of the Chamber of Commerce meeting one need only read it to learn that the Bay St. Louis body has wrestled with perplexing problems. The matter of completing the Old Spanish Trail has taken diplomatic handling of the negotiations with the highway commission, beset as it is by the requests from various sections. The matter of meeting the present price discrimination against local gasoline dealers calls for more careful procedure such as only an organization of this kind can perform. How refreshing, therefore, it must be to the C. of C. leaders to confer with a public spirited citizen like Mrs. John N. Stewart who is going ahead with her plans for the erection of a pier and amusement pavilion at the head of Booker avenue.

"Pure nonsense!" exclaims Editor Moreau in one of his good articles of last week which discusses a phase of the prohibition question. The spectacle of congressmen who drink wet and vote dry is no more pleasing to a majority of American citizens than it is to The Echo editor. And there are congressmen who know this, yet for reasons quite well known, persist in their course of hypocrisy. Their days are about to end, however and before many suns have set there will be an indelible record in Washington of the real stand of every congressman on this vital question. The reason for opposing the approaching record vote is quite obvious.

To John M. Sherman, lover of the beautiful, Bay St. Louis is a vista of trailing Lantana as it dips down the embankment to make a virtual sunken garden of a portion of L. & N. park. Writing from the Oriole, Bertha Rolfe, too, extols the beauties of Bay St. Louis. But that beauty, she finds, has been marred in a few spots, particularly by a junk heap near the railroad station. If that junk is the collection of a dealer, it perhaps needs to be close to a railroad, and it may not be so ugly to its owner. But now that attention has been called to its effect on others, a move will be made, no doubt at an early date, to correct the blemish on the fair prospect of the town.

Perhaps there are some, none too brilliant, who at times try to conceal their deficiencies by making flippant remarks about their home town newspaper. But you have noticed that the

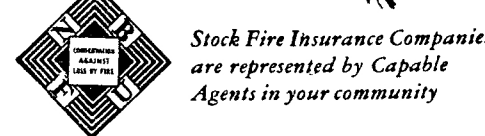

## Keeping up with the TIMES

Stock Fire Insurance—with all its experience—with its beginnings rooted in early America—keeps up with the times.

It anticipates and studies every new fire hazard—in your home or place of business.

### STOCK FIRE INSURANCE

has earned its leadership by sponsoring protection, prevention and inspection services that benefit every community and every individual.

leading citizens place a high value on The Echo. They are pleased with its typographical excellence. They are gratified that there is in their midst an institution always in the front rank of the forces working for community improvement. Those of them who make comparisons know that last week's paper, for instance, ranked head and shoulders above others in the range of its news and the style in which it was covered. To those who must judge everything by big city standards let me whisper this: The smartest crack of a New York joker, the most gruesome crime of a metropolis or the latest development on the Chinese battlefields will be not whit more important a thousand years hence than, say, the news of the success now being scored by Miss Gertrude Partridge who collaborates in the editing of the Aurora, nationally known magazine of St. Mary of The Woods College.

CHICAGOAN.

### The Right Doctor.

He was dug out of the wreck of his automobile and carried to the nearest doctor's office.

"I can't do anything for this man," said the doctor. "I'm a veterinary surgeon."

"You're the right man, doc," said the amateur motorist. "I was a jackass to think I could run that machine."

### INDIGESTION

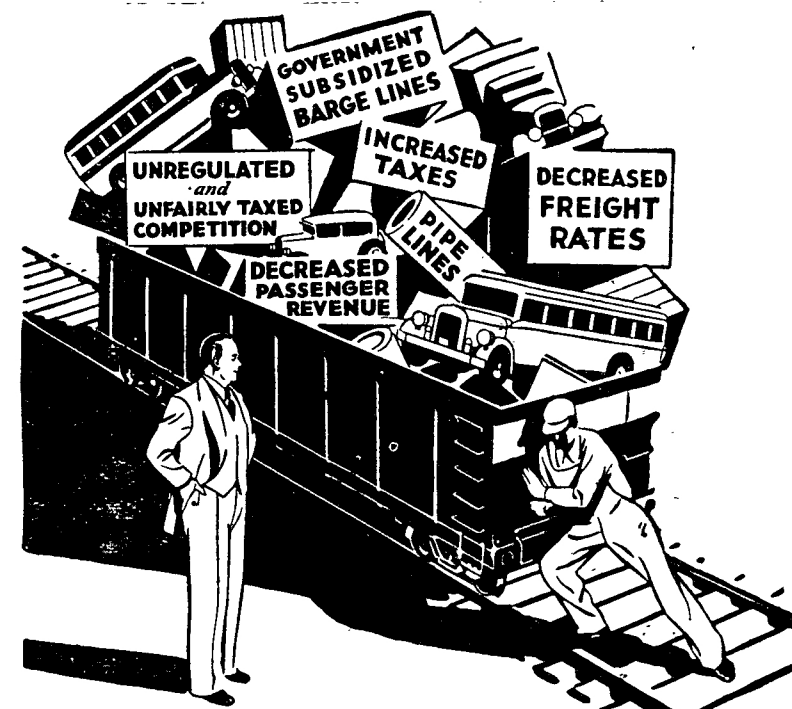

"My work is confining, and often I eat hurriedly, causing me to have indigestion. Gas will form and I will smother and have pains in my chest. I had to be careful what I ate, but after someone had recommended Black-Draught and I found a small pinch after meals was so helpful, I soon was eating anything I wanted."

"Now when I feel the least smothering or uncomfortable bloating, I take a pinch of Black-Draught and get relief."

Clyde Vaughn, 10 Shipley St., Greenville, S. C.

Sold in 25¢ packages.

**Theford's BLACK-DRAUGHT**  
WOMEN who are run-down, nervous, or suffer every month, should take Cardul. Used for over 50 years.

## Give the Railroads A HELPING HAND

THE RAILROADS of the United States can not move this weight alone. YOU must do your share if they are to survive the deplorable conditions now confronting them.

The following figures show what the Louisville & Nashville Railroad has accomplished toward overcoming the tremendous handicap imposed on all railroads by unregulated and unfair competition, increased taxes, decreased freight and passenger revenues and government subsidized barge lines.

The revenues of the Louisville & Nashville Railroad have declined \$30,000,000 since 1921. One-half of this vast sum was due to the decrease in freight rates amounting to 17%. The other half was due to loss of passenger traffic.

During the same ten-year period this railroad has reduced its operating costs by more than \$34,000,000 in spite of the fact that taxes have increased nearly \$2,000,000.

And although the L&N, in 1931, under such drastic economy, still earned less than 2% on its half-billion dollar property investment, the above achievement emphasizes the remarkable efforts the L&N made to "carry on" and preserve its standing and credit in the face of such tremendous odds.

The Interstate Commerce Commission has fixed 5 1/2% as a fair rate of return on the value of railroad property used in transportation. It is evident, therefore, that less than 2% is a dangerously low return. Continued operation on such basis would be ruinous to the railroad systems of the United States, and would seriously impair the Nation's whole economic structure.

This condition must be averted. The railroads are doing their share and have earned your help. Do YOUR part by traveling on the steam railroads—ship by rail and lend your cooperation in their effort to obtain legislative relief. Give the railroads a helping hand!

### LOUISVILLE & NASHVILLE R.R.

#### WHITE LUMBER COMPANY GETS INCOME TAX REFUND

The J. J. White Lumber Co., of which Hugh L. White, recent candidate for governor, is president, has been awarded a judgment in federal district court of a \$35,000 government refund.

Mr. White was one of the principal witnesses against the defendant Geo.

L. Donald, internal revenue collector for Mississippi. The judgment was rendered Tuesday.

The refund covers excess taxes for 1920-21-22 said to have been based on lumber valuations of 1913 when the income tax law was passed. Refunds for other years since 1913, estimated at about \$100,000 also will be sought, attorneys said.

## Personal and General Notes of Week From Waveland--Vicinity.

V. E. WEBER Box 134 Waveland, Miss.

## ELECTION OF OFFICERS OF P. T. A. HELD.

The Parent-Teachers' Association held its regular monthly meeting, March 2, 1932. Elected the following officers unanimously, to serve during the year: Mrs. W. A. Mapp, President; Mrs. W. K. Kane, vice-president; Miss Dorothy Wells, secretary; Mrs. Geo. Schilling, treasurer; Mrs. H. Laudon, health officer.

## WAVELAND VS. LOGTOWN.

On March 3, the Waveland Basketball team, went to Logtown, and played that team on their home court. From the start it was a very fast and snappy game winding up with a score of 16-15 in favor of Waveland.

For a time it looked as if Logtown had the game won but a few brilliant plays on the part of Waveland team gave them the game.

Waveland line up: Isabelle Tucker, right forward; Cecile Turcotte, left forward; Luella Bourgeois, right center; Mary C. Zimmerman, left center; Nola Rita Moree, right guard; Dorothy Fayard, left guard; Coach Miss Dorothy Wells.

## FIRE DESTROYS AN OLD LANDMARK.

Fire destroyed one of Waveland's oldest stores located on Nicholson and R. R. avenues.

For the past 50 years this store was operated by the late Wm. Ruhr, and since his death a few months ago, was operated by his sons, August and William.

The building and contents were a total loss, partly covered by insurance.

The Waveland school chorus class reports that new song books have been ordered and that new songs are being learned.

The Waveland basketball team and coach, Miss Wells wish to thank Mr. Dan Chadwick, Mrs. Hale, Mrs. Farago, Mr. Sidney Bourgeois, Mr. C. Spiers for making it possible for the team to go to Logtown Thursday by taking their cars and they also wish to

## The Sea Coast Echo

## City Echoes

—Attorney W. J. Gex is spending the week at Aberdeen, Miss., where he is representing clients before the tribunal of that county.

—Mr. and Mrs. Chas. Ladner of St. George street are the proud parents of a baby boy whose arrival dates since March 3. Mrs. Ladner before her marriage was Miss Irene Bennett.

—Reginald Blaize, young son of Mr. and Mrs. R. N. Blaize, who recently returned home from Hotel Dieu, New Orleans where he underwent an operation, is on the high road to recovery and is planning to resume his studies at L. S. U.

—R. L. Genin spent the middle part of the week in New Orleans, visiting his brother, Harry D. Boyle, who recently underwent the ordeal of the surgeon's knife for appendicitis and is getting better at a satisfactory rate.

—Rev. Wm. J. Leech, pastor of St. Paul's church at Pass Christian, was a welcome visitor to Bay St. Louis Wednesday and attended the Rotary meeting, Father Leech himself one of the prominent Rotarians of the Coast.

—Miss Nina H. Marcus, Miss Ella H. Demarest and Miss Kate Gormely, of New Orleans, motored out from New Orleans for the week end and visited Miss Marcus' uncle and aunt Mr. and Mrs. P. V. Lacoste at their charming home on the beach front.

—Miss Regina Blaize returned home Sunday evening from a week-end visit to friends in New Orleans, where she attended a performance at the Little Theater of that city and of which subscribing organization she is a member.

—Mr. and Mrs. Quincy Cutler who have made their home at West End, Pass Christian, have returned to their former home at St. Francisville, where they have plantation interests, after an absence of some four years. Their departure from the coast is regretted.

—Mr. and Mrs. Maurice Pyk, who have been wintering in New Orleans, came over during the week and are located at their summer home for the spring and heated time during which future time they will spend several weeks traveling to different sections of the country. Last year they spent part of the summer East and North.

—Mrs. Lillie K. Leonard, district deputy of the Eastern Star, Bay St. Louis, will pay her official visit to the Biloxi Ann Grayson Chapter Eastern Star at the next meeting March 22. The chapter held a meeting at Biloxi Tuesday night. Mrs. Leonard is both active and successful in her field of work. This is apparently the reward for her activity. Bay St. Louis is proud of Mrs. Leonard.

—All Parent-Teacher Associations are asked to notify Mrs. Geo. Bennett of Logtown not later than March 17 as to the number of representatives they will send to the County Parent-Teacher convention Saturday, March 19th. The ladies of Logtown will serve a delicious 35c lunch to those attending. The morning session will open at 10 A. M., after registration at 9:30. The afternoon session will close about 2:30.

—Mr. and Mrs. P. V. Lacoste left Tuesday evening on the Piedmont Special for New York City, where they will spend a great deal of their time in residence there as Mr. Lacoste's business interests now call much of his attention there. However, they will not relinquish their Bay St. Louis villa on North Beach Boulevard, planning from time to time to spend a while here. Mr. and Mrs. Lacoste are both ardent boosters for Bay St. Louis and left with much reluctance.

—Mrs. A. F. Fournier of Bay St. Louis and New Orleans, Mississippi state president of the King's Daughters and Sons, was a visitor between trains this week at Gulfport and made a visit to the King's Daughters Hospital, especially to view the display of the recent linen shower to the hospital. She lunched at the hospital with Mrs. Phil C. Harding, Gulfport Circle president and former state president. Mrs. Fournier was en route to Hattiesburg to attend a meeting.

## TO COMPLETE THAT EASTER COSTUME

YOU—should have a new Permanent Wave. Lovely, guaranteed Permanent Waves \$3.00 complete.

**MILLER'S BEAUTY SHOPPE**  
306 Main Street  
Bay St. Louis, Miss.

## BILL TO GIVE JOBS TO IDLE

## House Passes First Measure For Unemployed—Mississippi Should Take Advantage

By Representative Robert S. Hall.

Capitol Hill, March 7.—It remained for the House to pass the first measure of the present session which provides jobs for working men—the Almon emergency highway construction bill to relieve unemployment. Under the provisions of the measure 120 millions would be allocated to the various states to be expended for road building prior to June 30, 1933. This is not a hand-out, but an emergency loan which is to be repaid out of future Federal aid authorization in ten equal yearly installments, beginning in 1938. Of the 120 millions Mississippi would receive \$2,160,628, which, matched by an equal amount of Federal-aid money, would make available \$4,321,256 for highway construction.

According to the Bureau of Public Roads, at least 85 per cent of every dollar expended in high-type road construction ultimately trickles into the pockets of the working man. Consequently, more than half a million dollars would be paid out in Mississippi to men engaged on the construction jobs. Besides a considerable amount would be expended within the state for materials and transportation. Another good reason why Mississippi should take advantage of this loan is that she would be assessed only \$72,000 in Federal taxes to offset her \$2,160,628 allotment.

The Home Economics Bureau of the Department of Agriculture says there is just as much art in washing dishes as in brushing canvases; but that washing dishes in too low a sink is not only a back-breaking job, but causes madam to lose her schoolgirl complexion and figure and frequently impairs her health. To properly adjust the kitchen sink requires only a few tools, some screws a piece of pipe and a little work. Some women have solved the problem by placing a flat box in the sink.

Everybody living on a farm, be it large or small, should plant a garden sufficiently large to produce all vegetables required for home consumption. There is no plausible excuse for farm families, particularly in the south, subsisting on store-bought vegetables. Write and ask me for a copy of Farmers' Bulletin 1673-F, which contains complete instructions for planning, planting and cultivating the farm garden.

According to the Bureau of Agricultural Economics, the apparent supply of American cotton on February 1 approximated 15,700,000 bales, or about 4,000,000 more than on the same date last year. This means that the United States is fully one year ahead of the game in the production of cotton.

I enjoyed very much the visits last week of two prominent neighbors from the Gulf Coast—Dave Cottrell of the Mississippi Power Company, and W. Lee Guise leading attorney of Biloxi. Primarily the purpose of their visit was to promote industrial expansion in Mississippi and consequently attract new capital thereto. They are exceedingly optimistic over bright prospects for increased industrial activities in the Magnolia State.

## A. &amp; G. THEATRE

Thursday, March 10.

ALFRED LUNT & LYNN FONTAINE in  
"THE GUARDSMAN"  
And comedy.

Friday, March 11.

GEORGE O'BRIEN in  
"THE RAINBOW TRAIL"  
And comedy.

Saturday, March 12.

LOIS MORAN & CHARLES BICKFORD in  
"MEN IN HER LIFE"  
And comedy.

Sunday &amp; Monday, March 13-14.

MARIAN MARSH in  
"UNDER EIGHTEEN"  
And comedy.

Tuesday-Wednesday, March 15-16.

CONSTANCE BENNETT in  
"THE LADY WITH A PAST"  
And comedy.

Thursday-Friday, March 17-18.

"THE CUBAN LOVE SONG."  
And comedy.

Program Subject to Change Without Notice.

## THE WORLD IN SORROW OVER KIDNAPING

Colorful Sketch  
By JOHN T. MEYERS  
(For The Sea Coast Echo)

In his hour of heroic triumph a world-wide civilization rejoiced unselfishly with Charles A. Lindbergh. To-day this same great mass of individuals—lofty and humble alike—share the rags of sorrow that struck at the hearts of Colonel and Mrs. Lindbergh when the cowardly hands of kidnapers lifted their 20-month-old son from his nursery crib and disappeared into the darkness of night.

In the melancholy days that have passed since the Lindbergh baby was taken from the safety of his parents' home the average citizen has come to know this famous couple in a different role. The dashing figure of Colonel Charles A. Lindbergh, daring "Lone Eagle," who spread his wings across the great Atlantic to win fame and fortune, is blurred into obscurity through tear-dimmed eyes of the world which at this time see only Charles A. Lindbergh, Sr., a frantic father... bewildered... ready to grant any concessions to the fiends who have stolen his son. Gladly would this man Lindbergh cast aside all the world fame and glory that has been his to again feel the tender, little hands of his son about his neck.

In her dark hours of anguish, Mrs. Lindbergh is longer remembered as Anna Morrow of the crowd Morrow lineage. Today she is the sad, inconsolable mother of her kidnapped baby boy.

Millions of mothers throughout the world understand the despair that fills her soul when she casts a longing glance in the direction of the empty cradle. Praying, trusting, hoping but always comes that dreadful, terrorizing fear of uncertainty.

More than a week has faded since the Lindbergh child was snatched from the bosom of its father and mother. Out of the many conflicting clues and mystery surrounding the whole case has come no definite development. The entire world is mobilized into a manhunt. Still the child remains to be located as this is written.

Police have evidently shown their inability to bring about the arrest of the criminals. Colonel and Mrs. Lindbergh have been forced, evidently, to resort to gangster go-betweens, in an effort to deal with the kidnappers. According to reports, two underworld characters Mr. "Salvy" Spitalo and Mr. Irving Bitz have been selected to act as ambassadors to guarantee the kidnappers immunity from the law if only they will come from hiding, receive their ransom and deliver the Lindbergh child unharmed to its grief-stricken parents.

Sad and regrettable as this pathetic affair has been, it may however, tend to bring to the eyes of the world the true state of affairs as really exists in the United States. If the most popular figure in this country is compelled to deal with racketeers in attempting to gain possession of his kidnapped child, what has the average every day American citizen for protection and justice with such an existing state of affairs?

The entire legion of fathers and mothers and fellow humans join in prayers that the Lindbergh's son will be safely and speedily returned to their hearts. And a day should dawn within the near future when a serious demand will be made that the flag of the racketeer shall be hurled down from its bold place and shall not be permitted to fly on the same pole with the red, white and blue emblem of the United States of America.

## FUNERAL SERVICES

Funeral services for Mrs. Veda Wainwright Carver, deceased, will be held by Elder E. N. Bogges, at the Church of Jesus Christ of Latter Day Saints on Edwardsville Road, Sunday, March 13th at 2 o'clock P. M.

The public is cordially invited to attend these services.

G. H. WAINWRIGHT.

## Long Way After Longfellow.

They played bridge until midnight, Till the clock was striking the hour; k  
And when he trumped his partner's ace  
The old bridge game went sour.

They called each other everything, Ass, moron, dolt and fool, And some of the hard words they used  
Are never heard in school.

How often, oh, how often, Will the selfsame think take place There's always fun for other folks When you trump your partner's ace.

—Holt Rustler.

## Progeny Threatened.

"Well, Jim, how are things going? Wolf still at your door?"  
"Man, it's been inside for months. My only hope is that I may be able to kick it out before it has a litter."  
—Exchange.

## Good Color Combination

"How about those newly wed next door to you. Do their lives blend well?"  
"Very well, indeed. She has the grey matter and he has the long green."  
—Absence Accounted For.

Slow waiter (in London restaurant)—your coffee, sir, it's special from South America, sir.  
Diner (sarcastically)—Oh, so that's where you've been?—Punch.

## IN SOCIAL CIRCLES

(By Our Society Editor)

## WE NEVER KNOW

We never know when friends must part,  
We never know the morrow  
When joy will be snatched from the heart,  
And placed with bitter sorrow!  
So, friend... I'm wishing you to-day—  
More happiness with each Birthday.

So let us keep joy in the heart;  
Of sorrow we'll not borrow.  
It's up to us to play the part,  
And smile with each to-morrow!  
Let each day that we live take down  
A hundred smiles to every frown!

—EDNA RUTH MARTINEZ.

March 5th, 1932.

## MRS. C. J. FUCHI

## HOSTESS TO LARGE LUNCHEON-BRIDGE.

Mrs. Clemence Jaubert Fuchi, was hostess Saturday afternoon to a luncheon of twenty-five covers at one of the fashionable vieux carre rendez-vous, New Orleans, complimentary to Mrs. Chas. G. Moreau of Bay St. Louis. Green was the predominating color keynote and this decorative scheme was carried out extensively and to the most minute detail.

Six tables of bridge followed, the winner at each table presented with handsome silk kimonas. The honoree was presented with a special garment of this kind in gold and black. Enjoying the lavish hospitality of this charming and ever delightful hostess were among the number Mrs. Charles G. Moreau, Mrs. Nobly M. Dick, Mrs. Sam Fuchi, Jr., Mrs. Arthur de Fraites, Mrs. Donald Jewett, Mrs. John V. Dugan, Miss May Lavigne, Mrs. Enda Ruth Martinez, Mrs. Lenice Bergeron, Mrs. John W. Bryan, Mrs. Albert Jaubert, Mrs. Henry S. Riecke, Mrs. Henry Wegmann, Mrs. John Monroe, Miss Marie Thiberge, Mrs. George Muller, Miss Louise Fitzpatrick, Mrs. Thomas Fitzwilliams, Mrs. Percy Autrey.

## MISCELLANEOUS SHOWER

## FOR MRS. W. A. STAEHL.

Mrs. E. P. Ivy was hostess Tuesday afternoon at her home in de Montluzin avenue to a miscellaneous shower in compliment to Mrs. W. A. Staehle, followed by three tables of bridge.

The result of the afternoon's contest at cards revealed Mrs. H. L. Kergosien, Mrs. H. W. Kane and Mrs. Ryland as the successful players.

A party menu was served later in the afternoon. Needless to add the affair was one of engaging interest and pleasure.

## TWO TABLE AFTER-NOON BRIDGE PARTY.

Mrs. Ed. J. Arceneaux was hostess to the Young Matrons' Wednesday afternoon Bridge Club at her home, with two tables.

The high scorers of the afternoon were Mrs. Roger Boh, Mrs. L. M. Gex. Mrs. H. L. Kergosien captured the cut trophy.

The club is one of the popular social organizations and the weekly seances at cards is always a succeeding pleasure.

## LITTLE ECHOES

President reports \$34,000,000 decline in hoarding.

Mills asks further tax increases to raise \$337,000,000.
